

MAJOR WORKS

The major works for this year began as scheduled at the end of March at 58-95 Marlborough Mansions. Once again our own operatives are carrying out the works and our foreman Mass Palumbo may be reached on 07973 896177 or in the site office on (020) 7431 6833. Whilst the present weather conditions may hamper progress we anticipate completion of the entire project by September 2000.

ANNUAL GENERAL MEETING

The Annual General Meeting for BAM shareholders will be held on Thursday May 11th 2000 at 8pm in the Synagogue Hall, Dennington Park, Road, London NW6. All shareholders unable to attend are asked to complete a proxy form which is available from the Estate Office during office hours.

CAR PARKING SOLUTIONS

As many of you will know, London Borough of Camden has begun the consultation process for controlled parking zone in West Hampstead. We are represented on the steering group by members of the BAM residents working group for car park solutions. These residents have met during the year to look at the various solutions to the continuing problems of car parking.

ALFRED & VERA FOSTER

Sadly as a result of Vera's stroke last year, Freddie and his wife have reluctantly decided to move to a ground floor apartment in Golders Green. Freddie resigned as a Director from the BAM Board in March. The Fosters had hoped to spend many years in Marlborough Mansions, and they will be missed by all of us, but we do wish them well in their new home.

NEW GARDENERS – NEW PATHS

New gardeners joined the Estate at the beginning of the year. Paul and his brother Chris have already brought a new lease of life to our shrubs and hedges and show great promise for the future. Two new paths in the main BAM gardens are almost complete and may be enjoyed with the imminent good weather! Path renewal is just part of the Estate's improvement programme.
